This year’s theme is Movement: “We can become comfortable with conformity. God is greater than the things that enslave us, the things that we think will bring us deliverance. God has made it possible to move his people from bondage to freedom. God’s movement can be experienced in two parts: His action and our reaction. It starts with His initiation, which moves us to respond. When He says “go,” we are to move.” Make sure you register your teen for this life-changing opportunity! Cost is \$332 when registered before May 5. Register online at [ntscamp.com/newyork/](http://ntscamp.com/newyork/)

This is a wonderful way to start each week!
